

Welcome to Playtimes!

Notes For Parents/Carers

Just a couple of things to ensure Playtimes Sensory Classes are lots of fun for everyone:

- Parents are responsible for their children at all times.
- Please feel free to take photos of your children enjoying 'Playtimes!' It would be lovely to see them on social media! Please only put photos online of your OWN children. Thank you.
- Please feel free to feed or change or baby/child whenever needs be throughout the class, I want everyone to feel happy. (Disposable changing mats available, please dispose of the nappy in the bin in the toilets. Thank you).
- In the event of a snow/ice/illness closure I will put this

message on Facebook, I will also contact families individually. Monies will be reimbursed due to being out of your control.

- If you have bought a block and for whatever reason you and your child can not make a class, you are very welcome to visit another class within the half term. Please ask for details on days and venues.
- In the instance of illness, parents are kindly asked to stay at home until themselves or their child/baby are well and fully passed the contagious stage.

-Sickness and Diarrhea (48 hours after last episode of sickness or diarrhea, parents, children and babies are very welcome to return after the 48 hour period).

-Chicken Pox, until the last chicken pox has fully scabbed over. Chicken pox is highly contagious in both adults and children. Chicken pox can cause complications for pregnant women, If you catch the chicken pox while pregnant seek medical advice.

-Conjunctivitis, Children and parents are very welcome to return after they have had eye drops and the symptoms have improved. Drops are sometimes available over the counter at the pharmacy.

-Always seek medical advice.

- Playtimes has a 'Dribble box' Please add toys into the box

that your child has mouthed. These toys will then be cleaned appropriately. Toys are routinely sanitised.

- Classes to be paid weekly, if you choose to pay-as-you-go. Or if you choose to buy a block this can be paid on any of the sessions within the block of sessions. Cash, online or by BACS, whichever is easiest for you. I also have a contactless card machine in class.
- Playtimes has limited spaces.
- Please leave me a facebook review. I really value your thoughts and opinions.

**Thank you for coming to play, learn and socialise at
Playtimes!**
